

Kia e-Soul

(Reg. no. F-KM 5140 E) (German plates)

Specification

Engine	electric
Battery package	64kWh
Power Output	204 ps @ 3,800~8,000 rpm
Torque	395 Nm @ 0-3,600 rpm.
Gearbox	-
Consumption (combined)*	15.7kWh/100 km
CO ₂	0 g/km
Top speed	167 km/h
Acc. 0-100 km/h	7.9 sec.
Curb Weight (max.)	1.757 - 1.833 kg
Max. Towable mass (braked)	

The testcar is equipped with following items as standard:

Battery Heating System / Drive mode Select / Smart Cruise Control with stop&go (SCC) / Dual LED Lamps (Low&High Projection) / Smart Key & Start Stop Button (SMT) / 10.25" NAVI+DAB radio/ Head up Display / Power Seats / ABS + ESC + HAC / Rear View Monitor (RVM) / Forward Collision Avoidance Assist (FCA) with Cyclists/Pedestrian detection / Blind-Spot Collision Warning (BCW) / Paddle Shifter for 3-level Regenerative braking / Wireless Charger / Driver Attention Assist / High Beam Assist / Line Keeping Assist (LKA) Line/Road Edge / Lane Following Assist (LFA) / Electric Parking Brake (EPB) with Autohold / UVO connected services / KIA Car connected services / 17" alloy wheels / Apple CarPlay and Android Auto / 10-speaker Harman/Kardon® premium sound system

The testcar is equipped with this optional equipment:

Launch pack (GER spec): electric seats adjuster (8-ways) for driver/passenger / lumbar support for driver seat / seat trim in cloth-synthetic leather /

Lights and AEB:

Front lights: **Low Beam: LED**
 High Beam: LED
