Welcome to Tannistest 2019!

On behalf of the Nordic Jury Group I am very happy to welcome both Jurors and representatives of the industry to a brand-new Car of the Year test event.

We have done our best to bring the test of this year to the highest possible level. And we have struggled to organize as many candidate cars as possible to be part of the Tannistest 2019, so we can start the journey towards Car of the Year 2020.

As you know, it still takes rather long time until we know the winner, and the list of candidates is not yet confirmed.

However, we can already quite well recognize the tentative COTY candidates. So, here in Tannistest we have this year 19 of the possible candidates represented. And if we count all the different model versions, the total number of test cars is 43.

The list of cars is very interesting. It includes some very hot popular cars in the B-segment, bigger SUVs, several BEVs and even a full blown sportscar.

As usually, the task of the Jury will be extremely difficult, because only one can be elected Car of the Year.

The weather here in Northern Jutland is very unpredictable and plays a key role in our test arrangements. Happily, we can expect a lot of nice and sunny hours for photo shooting and test drives the following days.

So, we are ready, and the cars are ready. It is time to start the engines! I wish to all of you, the journalists as well as the industry partners, an interesting and useful test session.

*Søren W. Rasmussen (DK)
Organizer, Tannistest*

Weather today

Hi: 19 - Lo: 9

Wind 4 m/s SW

Saturday will be very nice.

Mostly sunny, moderate wind, high visibility.

High tide: 10.47 + 23.26

Program

07.00 – 09.00 Breakfast
08.00 – 12.30 Free testing
